

André Lizarán

OBJECTIVE

My name is André Lizarán, and I am a Fullstack Developer with four years of professional experience. I have collaborated on projects for companies and independent clients, including consultancy work, delivering high-quality solutions tailored to diverse needs. Based in Veracruz, México, I bring a strong passion for technology and problem-solving to every project I undertake. In my free time, I enjoy playing video games, volleyball, and spending time with friends.
